

Indian Ocean Lodge

Tucked away in our own little private corner on the island of Praslin, the Indian Ocean Lodge is an affordable small hotel establishment completely owned, and operated, by Seychellois.

From the interior decor, to our cuisine, to the warm faces greeting you at each turn, every quality about our hotel is meant to provide you with the true Seychelles experience.

All of our rooms are ideal for couples, and have also been designed to accommodate families comfortably.

Dining at Indian Ocean Lodge

Enjoy friendly service, excellent cuisine and attention to detail in our hotel restaurant, the Blue Marlin. Here we cater to our guests with great satisfaction for breakfast, lunch and dinner. Our pool side bar provides ice-cold beverages throughout the day. Private dining on request.

Breakfast is served from **0730hrs to 1000hrs** and dinner as from **1930hrs**, with our a la carte pool bar and bistro open throughout the day

Useful Information

- The temperature ranges from 24°C to 30°C year round.
- The hotel is only a 5-minute drive from the airport, 15 minutes from the Baie Ste Anne Jetty about 20 minutes from Cote D'Or beach (a hotspot for diving and island excursions), and 35 minutes away from the world famous beach of Anse Lazio. For further information on how to get to us and nearby sights, visit our website www.indianoceanlodge.com
- The South-East trade wind, between May and October normally creates seasonal movements of seaweeds onto the beach. Over this period we recommend visiting the sheltered beaches on the opposite side of the island.
